

# Refund Policy and Procedure

## Domestic Students

---

### 1 Purpose and scope

This policy outlines the circumstances where a refund of tuition fees or charges related to study at AIE Institute may apply for commencing and continuing students.

This policy applies to AIE Institute's higher education courses for:

- a. Domestic students enrolled in a fee-paying course that is not FEE-HELP enabled or who are not claiming FEE-HELP assistance
- b. The unused portion of tuition fees that have been paid in advance
- c. Domestic students enrolled in a fee-paying course who are claiming FEE-HELP assistance that have paid tuition fees in advance.

Administrative fees, incidental fees and fines are non-refundable. All dollar amounts referred to in this policy are in Australian Dollars, unless otherwise specified.

This policy does not apply to international students.

### 2 Objectives

The objectives of this policy are to:

- a. Provide transparent processes for refunds of tuition fees, where applicable
- b. Set out the circumstances where a full refund or a partial refund may apply
- c. Comply with relevant legislation.

### 3 Implementation

The CEO or delegates are responsible for implementing this policy.

Students should ensure they are familiar with AIE Institute's fees, charges and circumstances for refunds before accepting an offer for admission to AIE Institute's higher education courses. A student who has requested loan scheme assistance incurs a debt for each unit immediately after the census date for that unit.

Staff of AIE Institute who have access to information relating to fees applications must maintain the confidentiality of students' information in accordance with AIE Institute's *Privacy Policy and Procedure*. The disposal of records relating to fees applications should be in accordance with *Records Management Policy and Procedure*.

#### 3.1 Non-refundable fees and charges

Table 1 lists those administrative and incidental fees and charges that are non-refundable. These are charged in addition to tuition fees. The current list is in Table 1 below but may vary from time to time. Please check the website for an up-to-date Fee Schedule.

## 4 Procedure

All refund requests, notifications of withdrawal, deferment or leaves of absence must be made in writing addressed to Campus Administration per the procedures outlined below and in the relevant related policies. Students can hand in the documents to Reception or email the documents to <[administration@aieinstitute.com.au](mailto:administration@aieinstitute.com.au)>. The Campus Manager assesses the academic circumstances, and then forwards the outcome of the assessment to the CFO.

### 4.1 Application for refund

Students who wish to withdraw from a unit or course and wish to seek a refund should submit an *Application for Refund Form*, and refer to *Admissions Policy and Procedure* for details of withdrawing from a unit or course. All applications for refund must be made in writing to Campus Administration stating the reasons and relevant details. The *Application for Refund Form* must be completed, together with any other relevant documents, such as; the *Withdrawal Form* and relevant evidence supporting any request for 'special circumstance' consideration (see section 4.3), and Deferment and Leave of Absence requests. Notices will not be effective until received by Campus Administration. The form must be signed by the student or by the student's parent or guardian in circumstances where the student does not have the legal capacity to do so.

Students should apply for a refund within 14 days of an event that qualifies the student for a refund. Students may apply for a remission or re-credit if they believe that special circumstances apply. Applications submitted due to 'special circumstances' must be received by AIE Institute within 12 months of the student's withdrawal date for a unit or, if the student has not withdrawn, within the 12 months of the end of the period in which the unit was to be undertaken. If it is deemed not possible to apply for a refund due to 'special circumstances' within the 12-month period, this 12-month period may be extended.

#### 4.1.1 Withdrawal decisions

The Campus Manager makes the initial decision on a student's request for withdrawal regarding the refund to re-credit or remit student tuition fees (including the FEE-HELP balance). Each application for re-credit of a student's tuition fee or FEE-HELP balance is considered on its merits together with all supporting documentation substantiating the special circumstances claim. The Campus Manager makes an initial decision within 28 days of the receipt of all required documentation.

If AIE Institute is satisfied that special circumstances do apply to the student's case, the student's fees are remitted or re-credited.

Where the Campus Manager determines that special circumstances do not apply in a student's case, the student has the right to apply for an appeal of the original decision within a 28-day time limit – see *Higher Education Support Act (HESA) 2003* (Cth), div. 209-10(2). This request must include: the date of the original decision, fully state the reasons for applying for the review and any additional evidence. This review of the original decision is conducted by the CEO or delegate (refer to section 4.5).

##### 4.1.1.1 Domestic FEE-HELP students

Domestic FEE-HELP students may be eligible to have their HELP debt remitted (and FEE-HELP balance re-credited, if applicable) under 'special circumstances' as noted in 4.3. There are no provisions for students in the HESA Act for a HELP debt to be remitted if a student has already completed a unit or course of study. If students withdraw from a unit after the census date because they changed their mind, students are legally obliged to repay the HELP debt, and are not able to apply to have their HELP debt remitted.

When a student who is eligible for a HELP loan and has requested FEE-HELP assistance withdraws from a unit on or before the census date, they will not incur a FEE-HELP debt for the tuition fees for that unit. If a student withdraws from a unit after the census date or does not successfully complete the unit due to special circumstances, he or she may apply for a re-credit of their FEE-HELP balance and remission of their FEE-HELP in relation to the unit. If AIE Institute is satisfied that special circumstances do apply, the student's FEE-HELP balance are re-credited. Where a student's FEE-HELP balance is re-credited for a unit, the debt the student incurred for that unit is remitted.

#### 4.1.2 Deferment and leave of absence

New students may defer their studies for up to 12 months after receiving a letter of offer. Refer to *Admissions Policy and Procedure* for details.

If after approval of deferment of a course a student notifies AIE Institute in writing that they do not intend to take up the place, any tuition fees held in credit are refunded.

Continuing students who wish to interrupt their studies and seek a refund should refer to the Withdrawal section.

## 4.2 Refund eligibility

Domestic students enrolled in a course can receive a refund of their tuition fees under certain circumstances, which are outlined in **Table 2: Circumstances under which refunds will be granted**. Table 3 outlines circumstances where refunds do not apply or may apply only under special circumstances.

In such circumstances there is no additional cost to the student, and a refund is not paid.	Full refund of any tuition fees paid.	AIE Institute refunds the tuition fees in full to the student within 28 days.  OR  AIE Institute will provide an alternative course for the student at the provider's expense, in which case no refund is given to the student; OR a tuition assurance scheme is activated.

Applications submitted due to 'special circumstances' must be received by AIE Institute within 12 months of the student's withdrawal date for a unit or, if the student has not withdrawn, within the 12 months of the end of the period in which the unit was to be undertaken. If it is deemed not possible to apply for a refund due to 'special circumstances' within the 12-month period, this 12-month period may be extended.

### 4.3 Special circumstances

Special circumstances may apply to the student if AIE Institute is satisfied that the circumstances comply with 4.3.1 Guidelines. The student must have been enrolled in the unit or course and submitted a written application after the Census Date for special circumstances together with an *Application for Withdrawal Form* and provide supporting evidence.

#### 4.3.1 Guidelines

The special circumstances:

- a. Were beyond the student's control, which is reasonably considered as not due to the student's action or inaction, either direct or indirect, and for which the student is not responsible and:
  - I. Were unusual for the student
  - II. Made it impractical for the student to complete the requirements of the unit in the period during which the person undertook, or was to undertake, the unit
  - III. Did not occur until on or after the Census Date for the unit/s
  - IV. Where the circumstances occurred or existed before the Census Date, worsened or changed, such that their full effect was not apparent to the student until after that date.
- b. Did not make their full impact on the person until on or after the census date for the unit of study in question
- c. Would make it impractical for a student to complete the requirements of the course/s and may include (but are not limited to):
  - I. Medical circumstances that have changed to such an extent that the student is unable to continue studying, or new medical circumstances arose
  - II. Family/personal circumstances such as death, significant medical issues, unforeseen financial difficulties, or other circumstances that are unreasonable to expect a person to continue their studies

- III. Employment related circumstances in which the employment status or arrangements have changed so that the student is unable to continue their studies and this change is beyond their control
- IV. Course related circumstances where AIE Institute has changed the unit offered, and the student is disadvantaged by either not being able to complete the unit, or not being given credit towards other units or courses
- V. Extenuating circumstances of reasonable significance that interfere with the student's ability to meet a course's requirements. For example, carers' responsibilities, legal commitments, military service, accidents, or natural disasters.

Special circumstances do not include:

- d. Lack of knowledge or understanding of this policy or government legislation
- e. Failure to follow correct procedures
- f. Academic ability that was less than expected.

Refunds under special circumstances are discretionary and will be decided by AIE Institute.

#### 4.3.2 Supporting documentation

Students should ensure that their supporting documentation complies with AIE Institute's requirements and is:

- a. In English, or has been translated and certified as an official translation from an official authority
- b. An original document or certified by a Justice of the Peace or equivalent
- c. An original medical certificate that details the condition where medical circumstances apply
- d. A statutory declaration, where relevant
- e. A detailed account of the circumstances or events that are relevant to the application, including specific dates, and demonstrates how it meets the Special Circumstances section of this policy
- f. A true and honest representation of the circumstances
- g. Other documentation requested by AIE Institute.

#### 4.4 Payment of refunds

Refunds are made within 28 days of the processing of a complete *Application for Refund Form*. Incomplete forms or applications without sufficient supporting documentation may cause delays in processing refunds. Refunds are paid:

- a. In Australian dollars
- b. If the tuition fee was paid by credit card within the last 12 months, then under Australian banking regulations the refund must be credited to the credit card from which the fee was initially paid if possible
- c. Directly to the person who entered into the contract with the registered provider, AIE Institute, unless that person gives written direction to pay someone else
- d. Within 4 weeks after receipt of a written application.

Campus Administration records the transaction in the Student Records Management System.

#### 4.5 Appeals

Students may seek a review of any decision related to a refund application, by submitting an appeal to Student Administration within 28 days of receiving the original decision not to refund fees. It must be accompanied by supporting documentation defined in 4.3.2.

#### 4.5.1 Student review request

AIE Institute provides students with the refund appeal process so that students know how to submit a valid request for the review of an adverse decision not to refund fees. The student review request must be submitted using *Review of Application for Refund Form* as well as *Review of Application for Withdrawal Form*. *Review of Application for Refund Form* includes:

- a. The date of the original decision
- b. Fully state the reasons for applying for the review
- c. Any additional relevant evidence.

#### 4.5.2 Review process

When a student requests a review of the original no-refund decision, the review will be undertaken by the Review Officer, the CEO or delegate, who have not been involved in making the original decision and a decision will be made within 28 days.

If the Review Officer is satisfied that special circumstances do apply to the student's case, the student's fees will be remitted or re-credited. Students are notified of the decision within 28 days of the receipt of their review request. The Review Officer will provide a written decision to the student, including reasons for the decision and advice that a student has the right to apply to the Administrative Appeals Tribunal (AAT) for a review of the original decision or a decision that has been reviewed.

Should the student not hear from the review officer within 45 days of receiving the request for the review, the original decision can be taken as being confirmed. If students are not satisfied with the reviewed decision, then they can make an appeal to the Board of Directors as set out in *Student Grievance Policy and Procedure* or seek an external review.

The right to make complaints and seek appeals of decisions and action under various processes does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies. Student have access to the Administrative Appeals Tribunal. Details of process, fees and locations of the nearest offices are available at <<https://www.aat.gov.au/contact-us>>.
